Workforce Training

- The West Kentucky Workforce Investment Board (WKWIB) provides training assistance to new and expanding industries for high-skilled occupations. The WKWIB provides intensive coordination with the incentive programs of the Economic Development Cabinet - Bluegrass State Skills, and the Kentucky Community and Technical College System (KCTCS).

ACTION: Support coordinated funding at all levels to provide training assistance for Kentucky industry/business to ensure their greatest support. The WKWIB has approximately \$8 million obligated to serve the needs of Kentucky industry/business at this time.

Area Agency on Aging & Independent Living

- The Pennyriple Area Agency on Aging and Independent Living is designated by the Commonwealth of Kentucky to develop and administer comprehensive programs and services which allow elderly and disabled individuals choices, flexibility and access to services which allow them to maintain a quality level of independence to remain in their own homes and communities. The Pennyriple Area Agency on Aging currently provides in home and community based services to more than 6,500 elderly and disabled individuals. There are approximately 400 individuals in need of services that are on waiting lists. These numbers continue to increase each month. It is proven that in home services cost less than institutional care and saves Medicaid dollars.
